

# Selling A Home

If you are in the process of selling a home than you probably already started cleaning and organizing the home in preparation of showing potential buyers. Below is a quick guide of the next steps:

***1. Review Contract of Sale and Addendum's with Attorney and execute***

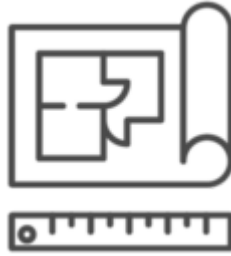

***2. Be prepared to make Repairs or offer a Credit***

***3. Order a Final Water Meter reading***

**4. Request a Final Payoff on outstanding mortgages (if any)**

**5. Provide Buyer with an up-to-date Survey (if in possession)**

**6. Coordinate Move-out Date**

**7. Closing**

**DISCLAIMER:** The home buying process varies by state and region. Please call The Law Office of Eric C. Puma, P.C. regarding the process in your state.
